Rec'd: November 27, 1959
12:16 p.m.

ACTION:

INFO:

Depositor reaction to November 26 appointment Guevara National Bank President moderate as of mid-Friday morning. American banks report steady, higher than normal number of withdrawals all types of accounts but not approaching a bank run. Requests for assess to safety deposit boxes also reported higher than normal.

Withdrawals from Cuban banks appear to be somewhat greater than American bank withdrawals but not dangerously high.
